

Please use the chart below to assist when self-reporting this event to your IAPP certification account. All non-IAPP activity must be self-reported, but this form is meant to make the process easier for you.

Here's how you submit this event:

- Access your IAPP account and navigate to the CPE Submission Form: <https://iapp.org/certify/cpe-submit/>

If your certification doesn't appear below, but you've attended a session that relates to your certification, you may submit the credits to your account.
- Enter the date of the session.
- Enter the number of CPE credits earned for the event you attended; this information is outlined in the chart below.
- Select "NonIAPP Conference or Event" on the "Professional education activity" drop-down menu.
- Enter the title of the session in the notes section if you choose, or other identifying details.
- Hit submit! The credits are immediately added to your account.
