

12TH ANNUAL BCLT Privacy Law Forum

DAY 1

Jon Adams | LinkedIn, Senior Director, Legal

Jon Adams is an experienced technology lawyer focusing on AI and data protection-related compliance, with a background in D.C. and in Silicon Valley/SF. Prior to his position at LinkedIn, Jon was at Wilson Sonsini Goodrich & Rosati and Sidley Austin.

Hope Anderson | White & Case, Partner

Hope Anderson is a Partner in the Data, Privacy & Cybersecurity Practice in White & Case's Los Angeles office and a member of the firm's Global Technology Industry Group. She also serves as an Advisory Board member in the Future of Privacy Forum.

Josef Ansorge | Cooley, Special Counsel

Josef offers clients a comprehensive background in cyber/data/privacy litigation, with a focus on information technology, privacy, international trade and business litigation. Before joining Cooley, Joey practiced as an of counsel in Washington, DC, for a large litigation firm.

Ruth Boardman | Bird & Bird, Partner

Ruth Boardman is based in London and co-head Bird & Bird's International Privacy and Data Protection Group. Additionally, she is on the Board of the International Association of Privacy Professionals and assists the Global Alliance on Responsible Genome and Clinical Data Sharing.

Tracy Davis | Wag! Group Co., In-House Counsel

Tracy Davis advises on corporate governance and securities matters related to Federal and State securities laws for Wag! Group Co. Previously, she served as Assistant Regional Director for the United States Securities and Exchange Commission.

Heather Deixler | Latham & Watkins, Partner

Heather Deixler counsels public and private companies operating in the healthcare industry on transactional and regulatory matters. She previously served as an Adjunct Professor in the Health Law LLM program at the University of Washington School of Law.

James Dempsey | UC Berkeley School of Law, Lecturer

Jim Dempsey served as the executive director of the Berkeley Center for Law & Technology (BCLT) from 2015 to 2021. Currently, he teaches cybersecurity law at Berkeley, and is Senior Policy Advisor to the Program on Geopolitics, Technology, and Governance at the Stanford Cyber Policy Center.

Brian Emeott | Lyft, Senior Director, Product & Commercial

Brian manages a team of attorneys and leads product counseling, commercial contracting, and compliance for a range of topics at Lyft. Previously, he was a Privacy Program Manager at Google.

12TH ANNUAL BCLT Privacy Law Forum

DAY 1

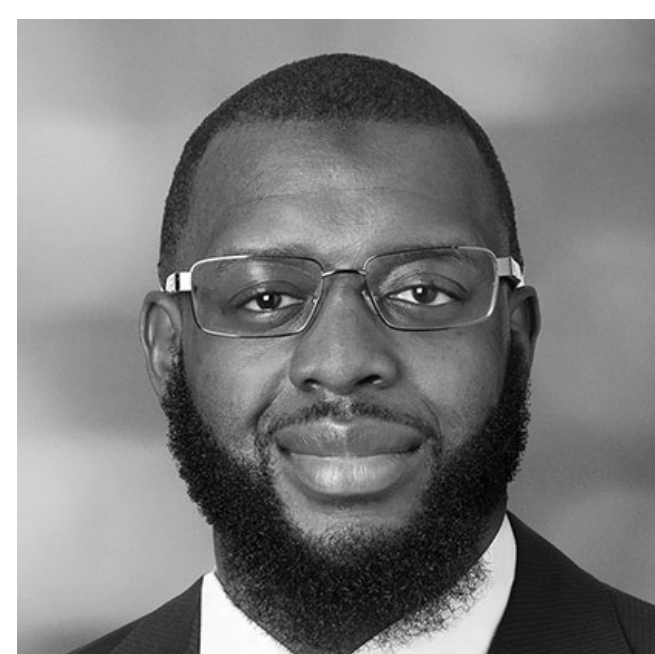

Fran Faircloth | Ropes & Gray, Partner

Fran Faircloth is a partner in Ropes & Gray's data, privacy, and cybersecurity practice. She assists clients in privacy and cybersecurity related class action litigation and enforcement actions by the FTC, state Attorneys General, the SEC, and other government agencies.

Gabriel Gonzalez | UC Berkeley School of Law, CIO and Assistant Dean; UC Berkeley, Associate Vice Chancellor, IT and CIO (Interim)

Gabriel currently serves as the Assistant Dean and Chief Information Officer at Berkeley Law. Gabriel is also the Interim Associate Vice Chancellor for IT and Chief Information Officer for the University of California, Berkeley.

Abdul Hafiz | White & Case, Associate

Abdul is a Data, Privacy, and Cybersecurity associate in White & Case's New York office. Prior to joining White & Case, Abdul worked in the Managing Attorney's Office of a large global law firm and has also worked in the in-house legal departments of several multi-national corporations.

Michael Hamilton | Adobe, Senior Director & Associate General Counsel

Michael Hamilton has worked on privacy matters for more than 10 years. At Adobe, he provides privacy support to Adobe's Digital Experience business unit. Previously, Michael held privacy roles at Invitae, a medical genetics company, and Salesforce.

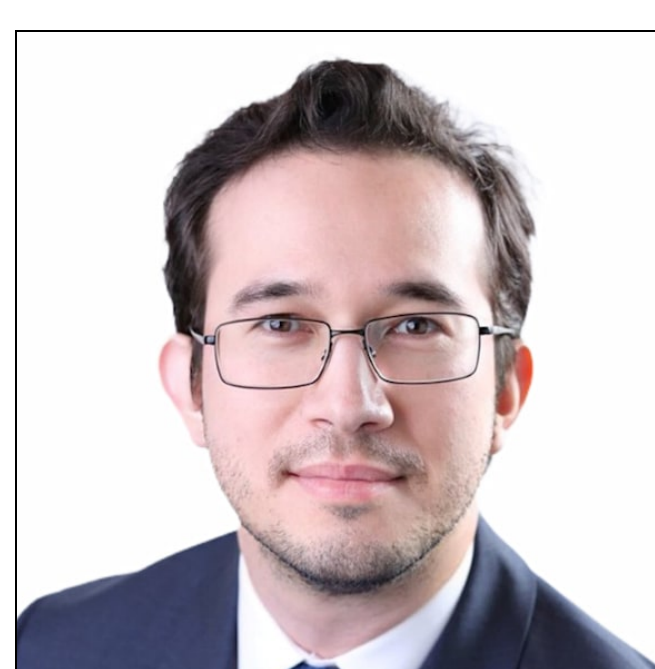

Joseph Hansen | Latham & Watkins, Counsel

Joseph Hansen is a member of Latham's Privacy & Cyber Practice and AI Task Force, and assists technology companies with data privacy compliance, litigation, and regulatory defense.

Sheila Jambekar | Dayforce, Chief Privacy Officer

Sheila Jambekar is the Chief Privacy Officer at Dayforce. She likes collaborating with technology leaders to solve complex challenges at the intersection of privacy, law and technology and helping organizations build technology and systems that anticipate future legal and regulatory conditions.

Paul Lanois | Fieldfisher, Director of Data

As part of Fieldfisher's Privacy, Security & Information team, Paul helps clients navigate EU (and global) compliance issues relating to data protection and cybersecurity topics. Paul is also part of UC Law SF's adjunct faculty, teaching a course on privacy compliance.

Amy Longo | Ropes & Gray, Partner

Amy Jane Longo is a partner in Ropes & Gray's litigation and enforcement practice group. She previously served as the Regional Trial Counsel for the U.S. Securities and Exchange Commission's Los Angeles Regional Office in the Division of Enforcement.

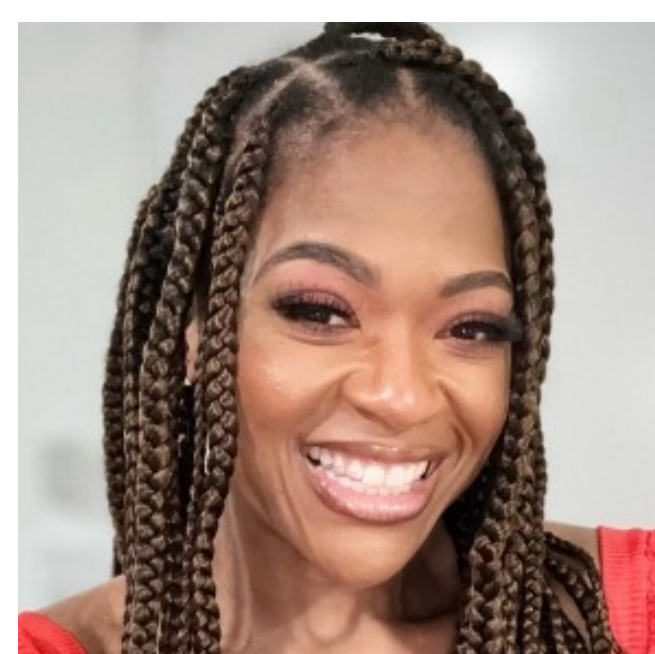

12TH ANNUAL BCLT
Privacy Law Forum

DAY 1

Edward McNicholas | Ropes & Gray, Partner

Edward McNicholas is a co-leader of Ropes & Gray's data, privacy & cybersecurity practice. He represents clients facing complex data, privacy, and cybersecurity issues in litigation, investigative, and counseling matters. Ed previously served as an Associate Counsel to President Clinton.

Danielle Pierre | Google, Litigation Counsel

Danielle C. Pierre is a complex commercial litigator with state and federal trial experience. She also serves as a board member for the Justice & Diversity Center (JDC) of the Bar Association of San Francisco.

F. Paul Pittman | White & Case, Partner

Paul Pittman is a partner in the Firm's Data, Privacy & Cybersecurity Practice. He specializes in data privacy and cybersecurity, providing strategic legal and business advice for a variety of commercial and financial clients.

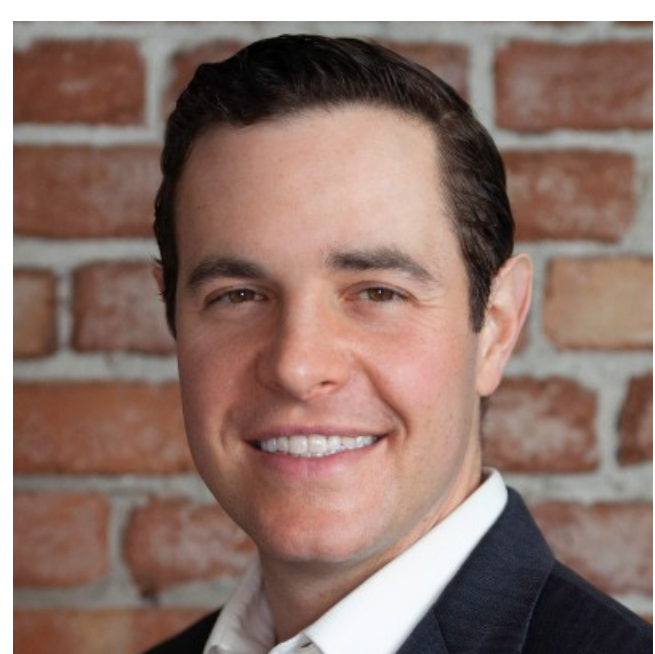

Volha Samasiuk | Autodesk, Senior Privacy Counsel

Volha Samasiuk is an attorney with over ten years of experience in providing counsel and managing legal affairs in the US and Europe. At Autodesk, Volha supports its global privacy program and advises across all aspects of data protection laws.

Paul Schwartz | Berkeley Law, Jefferson E. Peyser Professor of Law

Paul Schwartz is a leading international expert on information privacy and information law. Schwartz joined the Berkeley Law faculty in 2006 after teaching at Brooklyn Law School and the University of Arkansas-Fayetteville. He teaches privacy law and torts.

Maco Stewart | Salesforce, Senior Director of Privacy

Maco Stewart is a senior director at Salesforce, where he leads the company's Americas privacy team. Before joining Salesforce, Maco was defended technology companies against class-action privacy litigation at Cooley LLP and Simpson Thacher & Bartlett LLP.

Paola Zeni | RingCentral, Chief Privacy Officer

Paola Zeni is an international attorney with a passion for privacy, and global experience in high tech companies. Prior to joining RingCentral, Paola was a Senior Director of Global Privacy at cybersecurity company, Palo Alto Networks.
